Subject: Internship Completion Letter

I am writing to enthusiastically recommend **Lakshay Pawar**, who recently completed internship in our organization, **ABNW Products & Services Pvt Ltd (Aayush Bharat)**, as a **Data Science Intern**.

During his internship from **May 14, 2024 to July 06, 2024**, Lakshay demonstrated a strong passion for learning and a keen interest in Python & Machine Learning Technologies. He was an integral part of our team and made valuable contributions to our ongoing project related to Telemedicine & Data Validation.

Lakshay's responsibilities during the internship included:

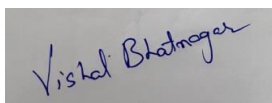

- Collecting and pre-processing the dataset.
- Assisting in the implementation and fine-tuning of algorithms for ECommerce.
- Collaborating with the team to analyse the results and propose optimization strategies.

Lakshay's academic background & his dedication to expanding his knowledge allowed to quickly grasp complex concepts and apply them effectively to our project. His attention to detail and strong analytical skills were particularly noteworthy. He worked diligently to ensure the accuracy and reliability of the predictive models he developed.

Furthermore, Lakshay's communication skills and teamwork were commendable. He actively participated in group discussions, openly shared his ideas, and sought feedback to improve the project's outcomes. His positive attitude and willingness to take on new challenges had a positive impact on our team dynamics.

We at ABNW Products & Services Pvt Ltd (Aayush Bharat) are grateful for Lakshay's contributions and wish her the very best in all his future academic and professional pursuits.

Sincerely,

**Vishal Bhatnagar**
